1. Todd's tee shot comes to rest 2 feet from the hole. He misses the short putt and slams his putter against his shoe and the head of the putter snaps off. Then he taps in the ball using the shaft of the broken putter and tees off the next hole. What is Todd's score for the hole?
2. Doug's tee shot comes to rest in divot hole in the fairway. His second shot is bladed out of bounds. He gets a substituted ball and drops it 2 feet behind the divot hole from where he just played. He plays that ball onto the green and holes the putt. What is Doug's score for the hole?
3. Taylor's tee shot comes to rest in a green side bunker. She starts her backswing that touches sand right behind her ball causing it to move. As the ball is still rolling, she completes her swing and the ball comes to rest 2 feet from the hole. She holes the putt, what is Taylor's score for the hole?
4. Jacque's tee shot comes to rest in the fairway when she sees a dog run up and grab the ball in his mouth and drop it in a nearby fairway bunker. She lifts her original ball and estimates where it originally came to rest. Using that spot as a reference point, she determines a one club length relief area and drops the ball correctly. Her ball comes to rest in the relief area one foot from the reference point. She plays that ball onto the green and holes the putt. What is Jacque's score for the hole?
5. Nelson's tee shot comes to rest in some tree roots and cannot be played. However, his stance is in temporary water. Believing he is entitled free relief; he lifts the ball and determines his nearest point of relief from the water that is about three club lengths from the original lie. He drops the ball and plays it onto the green. He holes the putt, what is Nelson's score for the hole?
6. Before teeing off his first hole, Casey drops a ball in the 18th fairway and makes a practice stroke with the ball coming to rest in the green side bunker. The starter then tells Casey his group is up next, and Casey grabs the ball and heads to the 1st tee in time and plays the first hole in 5 strokes. What is Casey's score for the hole?
7. Ryan's tee shot comes to rest on the green 2 feet from the hole. He walks up to his ball to tap it in, but he misses and the ball lips out and hits his own foot. He taps that ball in and tees off the next hole. What is Ryan's score for the hole?
8. Todd's tee shot comes to rest on the fringe 30 feet from the hole. He putts the ball and a squirrel runs across the green deflecting his ball into a nearby red penalty area. He places a new ball on the spot of the original ball and holes the 30-footer. What is Todd's score for the hole?
9. Baile's tee shot heads to an adjacent fairway and after 3 minutes it cannot be found. She says, "It should be right around here, maybe another group picked it up or a maintenance staff member did, I don't know. I'm just going to place one right here where I estimate it should be." She places a ball on her estimated spot, plays that shot onto the green, holes the putt and tees off the next hole. What is Baile's score for the hole?
10. Doug's tee shot comes to rest 10 feet from the hole and on Taylor's line of play. Taylor asks him to move his marker off her line and he does a clubhead to the right. When it is Doug's turn to play, he forgets to move his marker back and makes a stroke with his ball in the wrong place and it comes to rest a foot from the hole. He then realizes his mistake and lifts his ball and places at the original spot and holes that 10-foot putt. What is Doug's score for the hole?
