**Each question is asking for a specific score on the hole and the answer may also be disqualification.**

1. Todd's tee shot comes to rest on a cart path in the general area. Without marking the ball, he lifts it intending to take relief from the obstruction. He then notices two things; First, his nearest point of relief would be in a bush, and second, his ball is scuffed (not cracked) from the cart path. He then replaces a new ball on the original spot and chips it into the fairway. He plays from there onto the green and holes the putt. What is Todd's score for the hole?
2. Doug's tee shot comes to rest in the rough but cannot be seen. In searching, he finds a ball under a leaf and on another leaf. He removes the leaf on top of the ball and the ball moves. He does not mark the ball, lifts it, cleans it and identifies it as his. He then removes the leaf it was sitting on and places it on the correct spot. He plays onto the green and holes the putt. What is Doug's score for the hole?
3. Taylor's tee shot comes to rest out of bounds. Before playing again from the teeing area, she notices the lead tape on the sole of her club had fallen off during the previous swing and she cannot get it to stick back in position. Without delay, she cuts a new strip of tape that was in her bag and puts it in the same position the old tape was in. She re-tees and plays to the fairway, then to the green and holes the putt. What is Taylor's score for the hole?
4. Jacque's completes the hole in 4 strokes. She notices a group just teeing off from the next teeing area, so she drops two balls in the greenside bunker of the hole she just played and plays them both onto the green. There is no group on the hole she just played. She picks up the two balls and walks to the next tee. What is Jacque's score for the hole she just played?
5. Nelson is on the range with 15 clubs in his bag. He accidentally breaks one of them and puts the two pieces into his bag and heads to the first tee. He plays the first hole in 5 strokes. What is Nelson's score for the first hole?
6. Casey's tee shot comes to rest in grass in a greenside red penalty area. He plays from there, but the ball goes deep into the water of the same penalty area. He returns to the tee and drops a ball from shoulder height into the teeing area. He plays it onto the green and he holes the putt. What is Casey's score for the hole?
7. Ryan's tee shot comes to rest in the rough and after 2 minutes of searching the committee suspends play due to rain. Ryan continues his search for 2 more minutes and cannot find his ball. He then returns to the clubhouse. When play resumes, Ryan searches for 30 seconds and finds his ball. Without lifting the ball, he plays from there onto the green and holes the putt and tees off the next hole. What is Ryan's score for the hole?
8. Todd's tee shot comes to rest in a yellow penalty area next to a live alligator. There is no spot in the penalty area he can take relief from the alligator, so using correct back-on-the-line relief, he drops a ball in different red penalty area at the nearest point where the danger does not exist. He plays from there onto the green and holes the putt. What is Todd's score for the hole?
9. Baile's tee shot comes to rest in the fairway when the wind blows a tumbleweed into her ball and moving it about a foot away from the original spot. She saw this happen and plays from there onto the green and holes the putt. What is Baile's score for the hole?
10. Doug's tee shot comes to rest in a greenside bunker. He blades the shot across the green and into his golf cart parked on grass in the general area. He lifts the ball, moves the cart out of the way and drops a new ball within one-club length of the spot on the ground directly below where his ball came to rest in the cart no nearer the hole. He chips onto the green and holes the putt, what is Doug's score for the hole?
