Update of Suspension of Competitions – May 7th, 2020

At this time, the leadership of Central Links Golf has decided to extend the suspension of events through May 31st.

The following events are affected by the change:

- Senior Series at Sand Creek Station – May 20
- Senior Series at Salina Country Club – May 21
- Stateline Tour at Lionsgate – May 26

While the state of Kansas has begun the process of reopening and golf courses have continued to operate, we did not feel that it was appropriate to host these events in May. The health of our players, volunteers, staff, host facility staffs and host communities is our top priority.

We fully intend to resume competition on June 1st and will take all necessary precautions to ensure safety.

We will release another update by Friday, May 22nd.

In the meantime, we encourage you to get out and enjoy the game safely. Your local golf course and golf shops need your support through this time.

Thank you,

Doug Habel
Executive Director
Central Links Golf
