Parents may hand out snacks/water and give encouragement, but interaction needs to be limited and not delay play. If repeated offenses occur, parents and players are subject to removal or penalty. Please read over our [Code of Conduct policy](#) here. Spectator carts will be allowed to be rented on a course by course basis and at a fee determined by the host course.

Our junior tours are designed for both beginner and competitive golfers. We welcome players of all abilities as long as they can handle the listed yardage for their respective division, can keep up with pace of play and manage their way around the golf course without a caddie. Our junior tours are a great way to get experience in tournament golf and grow in their abilities. It's also a great way to be competitive and play with the best of the best. Junior tours are a great stepping stone in to Junior Championships and college golf.
