

# 2025 Central Links Golf One-Seat Cart Policy

Due to the limited availability of golf carts during Central Links Golf events and championships, we have instituted this policy for the 2025 golf season.

Your entry fee into a CLG championship entitles you to one seat in a golf cart for your round(s). Your caddie is not entitled to ride in a cart and will not be allowed to ride unless the player is walking.

When riding a golf cart, there may not be more than two riders per cart at any time. The player may ride in or move a golf cart with another player's caddie in it, so long as the player whose caddie is in the cart is not riding in another cart at the same time. As a reminder, players are responsible for the actions of their caddie. Continued intentional disregard for this policy may result in disqualification. Riders may NOT ride on the back of a golf cart, or on the dashboard of the golf cart. All riders must be seated on the golf cart seat.

During a suspension or resumption of play for a dangerous situation: There may be more than two (2) riders per cart, but all riders must be seated on the golf cart seat. Riders may not stand on the back or sit on the dashboard.

During a suspension or resumption of play for a non-dangerous situation: There may NOT be more than two (2) riders per cart. This includes the person driving the cart, even if that player is a spectator or volunteer.
