Draw for divisions

This year's draw will be completely random, with all teams in the same hat. The draw will be conducted to where teams who were in the same division last year will not be able to be in the same division this year.

NOTE: I will make an effort to host an in person draw. We haven't done that in a while and it seems like people like having that option.

2026 Conditions of Competition

There are a few items our competitions committee has reviewed and is looking to update in regards to the Conditions of Competition for 2026.

The cost will remain the same for 2025, at \$650 per team to enter.

2026 Conditions of Competition

RULE 11 - “Team captains and on-site golf staff at the host club are expected to administer Rounds and make good faith efforts to resolve any rules disputes without involving the Coordinator or the Committee.”

2026 Conditions of Competition

RULE 11 - "...if a dispute cannot be resolved, the team captains should contact Central Links Golf, so long as doing so does not unduly delay a Match or Round.

The on-site golf staff at the host club has the authority to deliver rulings within the Rules of Golf, as well as enforce pace of play policies that are in place at the host club.

2026 Conditions of Competition

RULE 12d - “In the playoffs, each team shall first submit their lineups to the KC Cup Coordinator, who will then check player eligibility and share lineups with both teams at the same time. Playoff lineups shall be submitted to the KC Cup Coordinator at least 24 hours prior to the first starting time.

“In the regular season and playoffs, captains must ensure that all players listed within the submitted lineup are eligible at time of submission. If a player is not eligible when lineup is submitted, they are deemed ineligible to participate in the match.”
