# Draw for divisions

The draw for divisions will be done randomly.

If we end up with 11 teams again, causing a 3 team division, any team who was in a 3 team division last year will not be in a 3 team division this year (Excelsior, Falcon Ridge, and Shawnee).

NOTE: I will make an effort to host an in person draw. We haven't done that in a while and it seems like people like having that option.

# 2026 Conditions of Competition

There are a few items our competitions committee has reviewed and is looking to update in regards to the Conditions of Competition for 2025.

The cost will remain the same for 2025, at \$250 per team to enter.

# 2026 Conditions of Competition

RULE 10 - “Team captains and on-site golf staff at the host club are expected to administer Rounds and make good faith efforts to resolve any rules disputes without involving the Coordinator or the Committee.”

# 2026 Conditions of Competition

RULE 10 - "...if a dispute cannot be resolved, the team captains should contact Central Links Golf, so long as doing so does not unduly delay a Match or Round.

The on-site golf staff at the host club has the authority to deliver rulings within the Rules of Golf, as well as enforce pace of play policies that are in place at the host club. Host facilities will also be asked to report issues of slow play to Central Links Golf so that the Coordinator can respond to the situation(s) as necessary.

# 2026 Conditions of Competition

RULE 12 - “Team captains shall exchange lineup cards at least 24 hours prior to the first starting time (including Rounds that begin or are to be completed on a Rain Date or Make-Up Date). Once lineups have been exchanged, no changes shall be allowed unless due to illness, injury or other extenuating circumstances that prevent a player from participating in the Match for which she was scheduled.”

# 2026 Conditions of Competition

RULE 12 - "...In such an event, the player whose circumstances necessitated the change shall not be permitted to participate in the Round. In the playoffs, each team shall first submit their lineups to the KC Cup Coordinator, who will then check player eligibility and share lineups with both teams at the same time. Playoff lineups shall be submitted to the KC Cup Coordinator at least 24 hours prior to the first starting time."
